

# SHORT MAT BOWLS IS COMING TO FENSTANTON

@ The New Village Hall, Crest Drive, Fenstanton

This is an open invitation for Fenstanton Bowls Club members.  
It's at an early stage yet, but it needs your support.

If interested, please email with your contact details to  
[benthebowler845@btinternet.com](mailto:benthebowler845@btinternet.com)

I am hoping it's going to be well supported by the rest of village as this was the reply from the  
village hall...

*"We are keen to sign up as many of the Fenstanton bowlers as would like to join, whether on a regular,  
casual or even social basis. There is plenty of capacity to expand the days/times to accommodate as  
many as wish to be involved. If you need any further info at this stage, just let me know.*

*Best wishes, Kevin Mitchell."*

**It will be open all year round, but I am just making enquires of Fenstanton Bowls  
Club for playing the winter months only from September to end of March each year.**

Thank you.
