## NEWSLETTER JULY 2026

### Chairman's Message

We are now about half way through the season and membership is standing at 65.

We should be very proud of ourselves because many other clubs are struggling with membership even though they have far superior clubhouse facilities and in many cases are a physical part of their communities. I have had many comments re how good the Club is looking these days. This is down to a group of members who look after the clubhouse, cut the surround and car park etc. A particular group, The Tuesday Morning Playgroup (TTMP) do a phenomenal job around the club grounds, maintaining machinery, etc, etc. Many visiting teams have commented how much the green has improved and that it is playing well. This is down to Rob with the support of TTMP. Many hours are invested in making the club run smoothly, many thanks to all concerned.

It has been great to see Ray bowling.....and winning.....when his treatment allows. Let's hope his team Sheffield Utd play as well except, of course, when they play Norwich City! 😄

We are not approaching any local firms, other than those already in the pipeline, for sponsorship until next calendar year. However we would appreciate any suggestions from members, who have some sort of contact/involvement with local businesses, to let me, Paolo or Martin know. That would be very helpful because every sponsorship means increased income, ongoing, for the club.

Have a great second half of the season.

David

## NEWSLETTER JULY 2026

### **Forthcoming Events**

Don't forget there are two planned social events coming up later this year, which are an Aussie themed BBQ on the 22<sup>nd</sup> August and a Bingo night on the 19<sup>th</sup> September. Further details to come.

### **Ladies Social**

Not to be out done by the FBC Men's Dining Club there will be a social event for ladies at Sarah Cook's house on Monday 20th July from 6.30pm. All ladies welcome but please bring drinks and nibbles.

### **Bowls Club System**

Some members, particularly newer ones, may not have been receiving notifications about upcoming internal competitions or planned friendlies. This was likely because they did not realise they needed to tick the relevant preference boxes in their BCS profile. To ensure all members receive these notifications, we have ticked the Internal Competitions and Friendlies boxes on everyone's profile page. If you do not wish to receive these notifications, you can untick the relevant box at any time.

Can we also remind all members to make sure they sure they keep their availability up to date on the system as this helps Captains when selecting teams. We have had a number of instances recently where Captains have selected a team based on stated member availability on the BCS only to be told that by some that they are not available resulting in the Captain having to find an alternative player.
